Principal: Mrs. Tasha Gant

Dear Parents and Families,

I want to begin with saying how much we miss seeing the students' faces. I do hope that everyone is staying healthy and adjusting with the circumstances.

As a school, the teachers and staff have been working tirelessly to prepare for this conversion to online learning. We are very fortunate within the Skyline Family that our students have been working on our online platforms such as My Path and PathBlazer. We highly recommend all students continue to login to these programs as it will only help them to continue to improve skills.

Next week, grade level packets will be available on Monday and Tuesday during food pick-up time. Beginning the week of April 6<sup>th</sup>, we will be moving the majority of our students to an online learning platform. Students in grades 3<sup>rd</sup>-5<sup>th</sup> will begin using Odyssey Learning and students in grades 6<sup>th</sup>-12<sup>th</sup> will have classes assigned through Edgenuity. Finally, students in K-2<sup>nd</sup> their teacher will be communicating with you individually as we get more programs up and going and interactive classrooms.

All teachers will be communicating with their class's information such as: class assignments, interactive tutoring hours, and assignment expectations. For our High School students, they will still be able to earn credit needed towards graduation, if they choose to complete the online assignments as laid out in the programs.

Sincerely,

*Mrs. Gant*

Principal K-12

**Monday & Tuesday March  
30th & 31st**

Classwork Packets Given Out 9:00—11:30

**Monday—Friday, in April**

Breakfast & Lunch Given 9:00—11:30

**Friday, April 10**

Last Day for School Closure???

Update  
your  
Information!

All teachers have been reaching out to families via phone calls and emails, we ask that all families return the phone calls and emails. This information will only help us to ensure that all students have access to continued learning. Should you have any questions please do not hesitate to reach out to the school, we will be taking phone calls during normal business hours 8:00 am to 4:30 pm

**Teachers** - to encourage students, to facilitate the learning process and provide feedback.

**Students** - to login daily, to interact with teachers, to ask questions.

**Parents** - to encourage students, to ensure the students has a daily schedule of when schoolwork is expected to be completed.

Families who notified their teacher of technology shortages will receive an email next week from the school.

That email will contain a Technology Agreement Form. This form must be read, signed electronically, and submitted back to us.

If you do not have an updated email with us, we will not be able to loan a computer to you for online instruction.

If you do not have an email at all, you will need to set one up in order to receive & sign the agreement forms.

Once we receive that signed document, you will be notified of a date and time to come pick up your laptop from the campus. **Please do not show up on campus until this happens.** We will not be able to accommodate you.

Throughout the campus closure, we will continue to provide breakfast and lunch for curbside pick-up. **Please make sure your contact information is up to date in our system** in case changes need to be made for health and safety reasons.

I also want to thank you for your patience as we continue to explore all learning opportunities for our students.
